WHAT IS SCLC/SUPPORT CONNECTIONS?

- SCLC is a program designed to help families and communities successfully address poverty. Everyone gives, Everyone gets.

HOW DOES IT WORK?

- We meet each Monday (Palmyra)/Tuesday (Lebanon) night from 5:30-8:15pm for a meal and working together on goals that are designed by the family seeking to improve their life.
- For the first 4 months we learn together. Every four weeks you attend for learning, you receive a \$20 grocery card.
- Then, if you want to continue, we spend the next 18 months in “Matched” support teams. Each family is the “leader” called a *Team Leader*” and is matched with *Team Mates* who are intentional partners and friends for meeting the goals set by the Team Leader.

WHAT IS INVOLVED?

- When we meet on each Monday/Tuesday night we share a free meal, and have free childcare.
- After about 30-45min for our meal, we work on learning and goals together for the rest of the evening.
- We have fun and we see results. (Check us out at www.SCLCLebCo.org)
